

# Sticky Matrix Header

By Mark McEver

# Configure Sticky Matrix Headers

-Note that this module only works for survey.

Once this module has been enabled no configuration is needed. The matrix headers will stay with the matrix for the length of the entire length of the matrix. Once the matrix has ended the header will go away.

## Example of Sticky Matrix Headers

		Option 1	Option 2	Option 3	Option 4
10)	Test 5	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
11)	Test 6	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
12)	Test 7	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
13)	Test 8	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
14)	Test 9	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
15)	Test 10	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
16)	Test 11	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
17)	Test 12	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
18)	Test 13	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
19)	Test 14	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
20)	Test 15	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
21)	Test 16	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
22)	Test 17	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
23)	Test 18	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
